# HOROWHENUA / KAPITI SUPPORT GROUP

We started as a group of parents and welfare guardians from the Kimberley Parents and Friends Association, keen to support our family members as they moved from Kimberley Centre.

We are very pleased with how our family members have settled into their homes in the community. However, it is still important to have a means of sharing our family members experiences and voicing any concerns.

We welcome all parents, friends and anyone else who may have an interest in the quality of life of people in the community with an intellectual disability.

We meet four times a year and members will also receive the RescareNZ quarterly newsletter with lots of info on what is going on in the intellectual disability field

We welcome new members

Membership is \$15 per annum Financial members receive all support group minutes and will also receive the RescareNZ quarterly Newsletter.
